

PILGRIM'S SEASIDE CABIN

General Information

PILGRIM'S SEASIDE CABIN ADDRESS & LOCAL PHONE NUMBER

1476 Wilkinson Rd, Comox BC
Local Tel: 250-339-2292

IN CASE OF EMERGENCY

Dial 911

BREAKER BOX

Cabin fuse box is located in the bedroom closet.

LINENS & TOWELS

Spare blankets and pillows can be found on the top shelf of the cabin closet. Spare linens are located in the bathroom closet.

Upon leaving please place wet and dirty towels in the white plastic hamper in the bathroom.

FIREWOOD

Firewood and fire starter can be found in the trunk beside the wood stove. Additional firewood can be found along the south wall of the cabin,

GARBAGE

Complimentary garbage bags can be found under the kitchen sink. Garbage cans can be found by the back shed located at the front of the property. Please make sure garbage can lids are securely closed to hinder racoons from getting into the bins.

RECYCLING

For our weekly & long term guests, cycling drop off can be found at Home Depot on Ryan Road.

WEEKLY GARBAGE PICK UP FOR WEEKLY OR MONTHLY RENTERS

Please put garbage cans, located by the back shed, up to the curb of the road Friday morning before 9am.

COMPLIMENTARY COMOX VALLEY REGIONAL NEWSPAPERS

Comox Valley Record is delivered every Wednesday & Friday

Comox Valley Echo is delivered every Tuesday & Friday

Both newspapers can be picked up by the mail boxes at the end of the road and are free.

OUTDOOR CHAIRS

Outdoor chairs can be found along the south wall of the cabin.

WOODSTOVE - Instructions for use

- Pull out lever that opens damper (located at front/top/left of stove)
- For best results, keep stove door open a crack
- Wood for stove in wood trunk
- Fire starter supplied beside wood trunk
- More wood can be found outside beside the cabin

BEACH FIRES

Beach fires **MUST** meet the following conditions:

- Are not located in front of any wooden areas.
- Are located below the natural boundary of the beach (high tide line).
- Are less than one cubic meter in size.
- Are more than three meters from other combustibles. (Structures, logs, bush, trees, etc.)
- Are not ignited using flammable liquids.
- Are extinguished with water until cold. An acceptable water container must be present at the time of the fire. Do not bury fires with sand as they will retain their heat and could seriously injure someone who walks over it.
- **NO FIRES** are allowed during windy times. Blowing sparks can easily cause other fires.
- Often during the summer months a ban is imposed on all burning, including beach fires.
